

A letter to MUM

Dear MUM,

I'm fine but I am climbing a very high mountain. I am doing this because Grandad

said I should climb a mountain and

I will say something very sad to the

sky and hopefully it will rain. I

only want this to happen because

we need some rain. I think it will stop.

If you don't believe me ask Grandad he

will tell you. Please send me a letter back.

I love you lots.

Love from Lila
