

When I woke up I heard a noise and my mum and dad were still asleep and I peered through the window and I saw Bella. But she was alive. I was amazed and I was wondering how she turned from a wooden horse to a big horse. When I tiptoed downstairs my mum and dad didn't hear me. Then I tried to put the blanket on Bella and ^{we} [they] went on the ride but Irina couldn't get on because Bella was too big.

Then I finally got on but I needed to jump off the tree stump. I was feeling so happy that I could only ride Bella around the village and then I did. It was probably the best day of my life, from Irina.
