## 13 June 2019

### Open Evening

We are having an Open Evening on **Tuesday 2nd July after school from 3:30 - 6:00pm.** (No appointments—come whenever you like during this time)

This will be an opportunity to look around the school to see some outcomes of the wonderful learning that has been taking place this year. You are very welcome to look around the whole school, but in particular, please go into your child's current class and the class they will be going into next year, so you can say hello to your child's new teacher.

Please note: this is not an opportunity to have a 1-2-1 parent / teacher consultation. If there is anything you would like to discuss privately with your child's teacher, please contact them directly.

### Sports Week and Sports Day

Sports week is w/b 15th July. There are lots of exciting sporting events taking place each day, culminating in our sports morning on Friday 19th July. (Details to follow)

On 19th July, after the final race, we are, as usual, inviting parents to come with a picnic to share with their child on the school field at lunch time. However, this year, we are expecting the children to return to class for the afternoon and not to go home. This is because in previous years, some children have stayed, some have gone home, and it has all become a little chaotic. We will probably extend lunch time, if the weather is dry and sunny, but will then ring a bell for parents to go home and for children to line up and go back to class.

### New Reception Parents' Meeting

There will be a meeting for parents of Reception pupils who start school in September 2019 on **Tuesday 25th June from 6:15 - 7:15pm.**

This is an opportunity for parents to find out more information about Reception at Bickley and also the induction process in September. If possible, we ask that young children do not attend this meeting.

### Meet the Teacher morning

All pupils in Reception - Yr 5 will spend the morning of Monday 22nd July with their teacher for next year, in their new classroom. This is an important opportunity for the children and new teacher to start to get to know each other, and also for children to hear about their summer holiday homework.

### School Reports

You will receive your child's annual school report on Friday 12th July.
