

Bickley Primary School

15 May 2018

Mrs Clarke

As you know, Mrs Clarke is leaving us on 25th May to start her maternity leave. Ms Proctor will be teaching the class for the final half term of Year 1. She knows the school and the class well, as she taught them when Mrs Clarke was absent, and she has also been teaching the class for some days while Mrs Clarke has been writing the class reports. She is currently liaising with Mrs Clarke to ensure she has up-to-date information about the class. I am sure that you would like to join us all in wishing Mrs Clarke all the best for the many sleepless nights that lay ahead!

Irish Dancing Champion

Many congratulations to Erin Shaw in Year 5, who competed in the Southern England Irish Dancing Championships at the weekend. Erin won the age 10 Preliminary Championships, which is a fantastic achievement! She will be competing in the British Nationals in July and is working towards competing in the World Championships next Easter. Well done, Erin!

London to Brighton Bike Ride

A big well done to Max Holland (Yr 6) and Isaac Rehman (Yr 4) who completed the 62 mile bike ride to Brighton on 6th May. This is Max's fourth time and Isaac's second. What a feat

Academy Conversion

Frustratingly, the date for Bickley to convert to Academy status by formally joining NEST Multi Academy Trust has been put back another month to July 1st. This is because the DfE (Department for Education) and the Local Authority are still dealing with property issues.

We will let you know when the date finally arrives!

Parents' Coffee Morning

There will be a parents' coffee morning on Friday 25th May at 9:00am. Do pop in for a coffee and a chat. It will be an informal opportunity to come in and share what you think is working well at the school, and any ideas you might have for further improvements.

Dates for the Diary:

18/5/18 - R, Yr 1 and Yr 2 picnic on the field with La Fontaine pupils

23/5/18 - Concert for KS2 instrumentalists

W/b 28/5/18 - HALF TERM
