Our Cornish Air Ambulance Appeal

As you know, we are going to focus most of our fund-raising this year (apart from Comic Relief in March) on supporting the Cornwall Air Ambulance service. This is close to our hearts because they helped one of our pupils, who suffered a serious brain injury when he had an accident whilst on holiday last year.

Thanks to you, we raised £1,300 from our Christmas collections. The following is a note of thanks from Harry's family:

Harry's accident was nearly 10 months ago now and it's hard to believe it happened to us, and we are forever grateful to all that helped Harry & us on our road to recovery including Bickley Primary School. We are grateful daily that our story had a positive outcome but we are left very aware that accidents can happen to anyone in a split second and that is why we want to try to help with the Cornwall Air Ambulance New Helicopter Appeal and anything we can do to help them raise £2.5million is just brilliant and a way of us all saying thank you for Helping Harry.

The Air Ambulance service relies completely on charity donations. We will be holding several fundraising events throughout the year and are in the process of getting a totaliser to put up on the wall in the playground.
