

Dear All,

We are aware that many families are experiencing financial hardship during this challenging time. We are therefore re-sending out the guidance for applying for free school meals, in case there are any of our families who are eligible, but who have not applied.

Families who receive certain benefits may be eligible for free school meals (which are weekly supermarket vouchers for use during the current COVID-19 lockdown situation). Your child is eligible for this support if you're in receipt of one of the following benefits:

- Universal Credit with an annual net earned income of no more than £7,400.
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part 6 of the Immigration and Asylum Act 1999
- The guarantee element of Pension Credit
- Working Tax Credit run-on (paid for the four weeks after you stop qualifying for Working Tax Credit)
- Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190

Registering for free meals could also raise an extra **£1,320** for Bickley Primary School, to fund valuable support like extra tuition, additional teaching staff or after school activities.

This additional money is available from central government for every child whose parent is receiving one of the benefits listed above.

To check if your child is eligible, please follow this link and complete the online application.
