

# Newsletter Autumn Term

Dear Parents and Carers,

The children have made an amazing start to Year 1. we are enjoying getting to know each of them and have been really impressed with how well they have settled and the effort they are making.

Tapestry will be up and running shortly. However, in the meantime, we are available at the end of the day for you to speak to or you can use the home learning address: [homelearning@bickley.bromley.sch.uk](mailto:homelearning@bickley.bromley.sch.uk) and we will get back to you.

This term, we will be learning about the following:

In maths we will be looking at:

- Place value to 10
- Counting forwards and backwards to 20 and beyond, focusing on the teens.
- Recognising numbers up to 20 and beyond and looking at different ways to represent them.

In English, we will be reading a variety of texts that will bring our toys topic to life! In writing, we will focus on basic sentence structure and phonics.

Our science topic is Seasonal Change which we will be revisiting throughout the year.

## At home

At home we would really appreciate it if you can continue to read with your child. It is really important that you record this in their reading record. Please read with your child every day. Please also remember that sharing a book and reading to your child is important for their development and fostering a love of reading.

Reading books and records will be collected in on a **Wednesday**. They will be sent out on a **Thursday**.

## PE

On PE days, please send your child to school in their PE kit. For those with long hair, this needs to be tied up. As with school uniform, please make sure all items are clearly labelled. This includes water bottles.

PE for both classes in on a **Wednesday**.

We are looking forward to a fantastic and engaging year and getting to know you and your children as the year goes on.

From,

Mrs Lawrence and Miss Cole
