Playground Fence

The playground wall by the Widmore car park has been replaced (and knocked down and replaced again!). Just to reassure parents, the builders are now in the process of putting up a tall fence on top of the wall, which should be completed by the end of the week. FOBPS is then funding some new playground markings, which we hope will be completed by the end of term.

Breakfast Club

Our new Breakfast club has started and is going well. If you would like your child to attend, please let the office know.

Family Liaison Officer

We would like to remind parents of the role of Miss Nabdoo, our Family Liaison Officer (FLO). Miss Nabdoo's role is to support parents in areas such as liaising with external agencies, applying for free school meals, and parenting issues, such as helping if the parents or children are going through a tricky time.

Miss Nabdoo works from 8:30 am to 4:00 pm Monday - Wednesday and is outside the main entrance before and after school.

More Baby News

The Bickley stork is going to visit us again this year!

As I am sure you have probably noticed, Mrs Nash - one of our Year 1 teachers - is expecting a baby. Her baby is due around September, so she will be leaving

us at the end of the summer term to go on maternity leave.

Congratulations also go to Mrs Sammons, who is expecting a baby in November. Mrs Sammons will re-join us in September and will then start her maternity leave in October. Congratulations to both!

Books for Yrs 5 and 6

We are in desperate need for some more books for the upper school library. If you have any chapter books or non-fiction books in a good condition that your children have finished with, please bring them to school to augment our upper school library.

Also, please let us know if you have a small children's sofa

Attendance Figures
