Monday 24<sup>th</sup> January

Dear Parents and Carers,

### **Covid Update**

We currently have 2 pupils isolating due to Covid and no members of staff. Because numbers are low and national restrictions are being eased, we have decided to stop the Year group bubbles outside at play times and lunch times. This means that children will now be able to play where they want and with who they want.

We are still being cautious inside the school building during the rest of the day, however. Staff will still wear face masks when walking in communal areas, and we will still have windows open – slightly when children are in class, and more widely open during break and lunch times. Children in Years 2 – 6 will remain seated in rows so that they are all facing the same direction for the time being, but we are aiming to revert to group tables in the next couple of weeks, if the number of cases does not rise.

All parents and other visitors will still be required to wear face masks when on the school premises and in the school building.

### **Parents talking to children about jobs / interests**

We have recently had some really interesting and informative visits to classes from parents. They have come to classes to talk about what their religion means to them, to tell the children all about the job they do or to share information about a hobby or interest they have. This is a fantastic, real and relevant experience for the children who LOVE having visitors in to talk to them.

If you would like to come to a class and talk to them about what you do and / or are interested in, please contact me or your child's class teacher. We would love to see you!

We would also love to have more volunteers in to support us across the curriculum. We know that some of you are very creative and artistic, others of you are great cooks, whilst some are interested in children's books and could help with reading or in the school library. Please come and help out if you are interested!

### **Miss Power**

I am sad to let you know that Miss Power, one of the Reception TAs, will be leaving us on Monday 7<sup>th</sup> February. She is moving to a part-time job in another school. Miss Power has been at Bickley since 2007 and I am sure you would like to join me in wishing her all the very best for the future.

### **Lateness**

Finally, a moan: PLEASE can you make sure that your child arrives to school on time in the mornings.

Yours Sincerely

Miss Blake  
Headteacher
